British Mountaineering Council (BMC) Participation Statement

The BMC recognises that climbing, hill walking and mountaineering are activities with a danger of personal injury or death. Participants in these activities should be aware of and accept these risks and be responsible for their own actions and involvement.

Worcester Mountaineering Club (WMC) responsibility and liability statement

The WMC recognises and endorses the BMC Participation Statement (above).

The WMC accepts no liability for the mountaineering or climbing activities of members, their guests or others attending a WMC meet.

The WMC encourages the use of appropriate equipment, clothing and choice of venue and route, paying due regard to the experience and strength of the team, and the prevailing conditions.

Those attending WMC meets are individually responsible for themselves, for deciding what activities to undertake and for arranging their own insurances. BMC Third Party Liability Insurance is provided for all WMC members.

WMC meets will have a co-ordinator who is responsible for the administrative aspects of a meet.

Neither the WMC nor the meet coordinator will check the fitness, health or competence of participants for their intended activity, nor is it the role of the WMC or the meet coordinator to check equipment.

I have read and understood the above BMC and WMC statements.
